

# Misjonsmarsj 2011

With this we welcome you to join in this years "misjonsmarsj"  
Sunday 4 september.

## *What is "misjonsmarsj"?*

This is a yearly event where we want to have focus on missions, and at the same time have a good time together. We gather in Jan Voigts vei 19 (see the map below) where the Hjelde family have open garden from 2 pm to 5 pm. Everyone brings food to barbecue, and in addition there will be waffles, cakes, coffee and tea. As last year it will all be for free, however, we encourage everyone to give a generous gift for this year's missionary project.

Among activities we would like to mention that "Trondheimsfjorden" may be inviting for the last (?) outdoor swim for the season, and we are so lucky that Svein Halvorsen will play the piano for us.

There are few parking spaces close to Jan Voigts vei, so we encourage to park on parking lots connected to "Ladestien", and to walk along the path from there.

## *The missions gift – who will receive it?*

This year, the gift will be given to Japan, and the work that Ingebjørg and Nathan Mikaelson are involved in. Main focus for the gift will be to contribute to humanitarian help in North-Japan as well as printing of evangelising literature and gospel-mangas to be distributed in the same area.

## *What do I have to remember?*

In addition to a smile and a good mood, bring:

Food to barbecue, plate, cup & cutlery.

If you have, it will be good to bring something to sit on.

***You are most welcome – in any kind of weather!***
